

Country Classification 2011

FIP uses the categories of high-income (**category "A"**), middle-income (**category "B"**) and low-income (**category "C"**) of the World Bank Index of Gross National Income expressed in Purchasing Power Parity. Category A refers to PPP over \$12,214, category B to PPP from \$12,214 to \$4,593 and category "C" to PPP under \$4,593.
